[Speaker 2]

Good afternoon, how are you?

[Speaker 1]

Good afternoon, I was trying to call to discuss this new clientele that you sent me on the 17th.

[Speaker 2]

Yes, yes, yes, yes, right. Okay, I give you a heads up. I think we spoke before and we have completed your job in relation to filing case, right?

In relation to your sister's case, because she has not been able to work for a long time. So, my only option is to file a case in court. Then I am waiting for you, right, for you to send and get that done.

I read your text.

[Speaker 1]

Yeah.

[Speaker 2]

So, I will send you the text.

[Speaker 1]

I was in hospital and I tried to send you email. I tried to call you. I tried to send you email.

[Speaker 2]

Yeah, sorry. Not even when I told you from email.

[Speaker 1]

Yeah. I wasn't getting the phone call from the hospital. I was in a hospital.

I wasn't getting phone call and I thought I should reply immediately.

[Speaker 2]

Yeah. Well, the issue is, yes, I say, yes, still as well. And I will, and as far as I say, still no window for you to say that what I say.

How, if I am demanding any money, I am in the case. Right? That's what I say.

And that's the way grant letter is prepared. Yes.

[Speaker 1]

Yes.

[Speaker 2]

Yes. Yes. Yes.

Yes. Yes. Yes.

Yes. Yes. I would not ask you to pay me balance.

That's what I say.

[Speaker 1]

So I think the couple of issues, firstly, Alex is the person paying the bill and he has been paying you the bulk most of the bill. And I told him about the fee and he has read your clientele letter. So it all depends on what he says.

so the other thing is actually we have paid you 8,000 not 7,000 out of the you know we had a conference on 10th November

[Speaker 2]

but you're saying that it'll be 20 on paper but it'll be 15 informally no

[Speaker 1]

you know but firstly Alex is paying for it and what he says 15,000 the the thing okay so even if you amend it I have to ask Alex the other thing is yeah that if you've checked we have paid 8,000 otherwise I'm going to just check those receipts because since November 10th we bought we paid that I'm going to check and you can check it against your balance if you have any doubts but the other thing of course is you know Alex is you know not very happy with me and the way I'm you know sucking off money because he doesn't know what the sister's will contains the other the other thing is like I don't know like what's going on you know is my father you know given me an equal share and then you said Biju is renting out that place is that a contentious probate because if she's renting out for two years then if you give me half the rent I mean that's what I mean it's a contentious and not regular probate

[Speaker 2]

I don't know what to say we don't know if there is a new will or not I believe, my understanding is there was a will and if your dad gave her everything she would have disclosed everything she wouldn't be hiding it

[Speaker 1]

so what does it indicate to you now that he's hiding it

[Speaker 2]

it means that there is no will number one your dad just left the property and the investiture rules apply according to the investiture rules the only purchase this should have half and half and that's the only application you should hold that an independent administrator should be appointed

[Speaker 1]

right that means it is not you or me it's going to be an administrator that you choose so Mr. Abu I'm going to talk to Alex about this and let him know and meanwhile he can amend it and also because I don't know what Alex is saying Alex is saying he wants to get out of it and if he is going to get Alex says he wants to get out of it I'm just going to talk to him again one thing is that we sorted about 8000 so you are sure it was paid and the other thing if you amend it to 15000 the other thing is Alex has to sort of agree to it he told me that he doesn't want you to represent for this and he wants his money back and everything but you have done some of the work so I'm just going to talk to him and see what he says you just have to send it to the court you just have to file it with the court so I've got to talk to Alex about it and because Alex told me to see if I can do it myself now I don't know how to do it myself but Chad GPT asked me to download a couple of forms and because I'm not a lawyer I'm not hosting anything before a lawyer actually just tells me because I don't understand I'll have to ask a lawyer if it's ok because I can't do it myself I don't know if Chad GPT is right I can't verify that I'll have to ask a lawyer if it's ok otherwise I won't be able to do it so I'm going to ask Alex I'm sorry but according to Chad GPT there's a form called N244 and PA1C which costs a filing fee of £245.30 it asks the judge to order my sister to produce the will now I don't know anything about this and I don't know if it's correct and if it applies to me I don't know anything about it

[Speaker 2]

just text me the phone number whatever Chad GPT said just text me that phone number ok?

[Speaker 1]

I'll text it to you and I'm going to talk to Alex also

[Speaker 2]

ok I'll speak to him now

[Speaker 1]

I'll speak to him now and explain that we've done the job

[Speaker 2]

and whatever I'll just amend it ok

[Speaker 1]

so ok but the second half Alex is not going to pay for that

[Speaker 2]

that's why I said you'll pay in the second half I'll explain to him

[Speaker 1]

when it comes you'll pay later

[Speaker 2]

when it comes you'll have to pay it will come from the other side it's cost

[Speaker 1]

so you feel that my father is likely to have died in test state that's what you feel about it

[Speaker 2]

yeah I feel he doesn't need a will

[Speaker 1]

but he has written loads of wills and when I talked to him in January the August he died he said he wanted my address to include me in his will and then there obviously was a will but he didn't make any motion to say that he has actually changed the will

[Speaker 2]

there was a will we wrote to her and she knows that let us see from the past what she needs to respond so you're not getting in touch with her

[Speaker 1]

no I will not because I respect the injunction it'll go through you because if I get in touch with her I'll be violating the injunction

[Speaker 2]

yeah even if we see the form we need to send this form to her if we send it directly then we are violating the rules I tell you now

[Speaker 1]

we need to do more problems yeah so I'll talk to Alex and I'll also text you the form numbers

[Speaker 2]

whatever you want

[Speaker 1]

yeah

[Speaker 2]

she'll ask

[Speaker 1]

yeah Mr. Abu can you send the proof that they signed for it they signed 3 times but they didn't reply ok ok ok ok thank you bye
