

2026-05-17-abu

[Speaker 1] (0:00 - 0:04)

I'm okay, let me just put on the speaker, yeah.

[Speaker 2] (0:07 - 0:08)

Sorry?

[Speaker 1] (0:09 - 0:09)

Hello?

[Speaker 2] (0:10 - 0:11)

Hello?

[Speaker 1] (0:11 - 0:11)

Yes?

[Speaker 2] (0:13 - 0:25)

Yes, right. So what we are doing now, you know that case in relation to your sister disclosed the will and letter of wishes, right?

[Speaker 1] (0:26 - 0:26)

Yes.

[Speaker 2] (0:26 - 0:44)

So what we are doing, we are seeking cause, but what we need to do, we need to discontinue the case for us and we need to seek cause, yeah? Otherwise they will come after you to get the cause because they have disclosed the will. So I emailed you a form.

Okay. And sign it and send it to us.

[Speaker 1] (0:45 - 0:45)

Okay.

[Speaker 2] (0:45 - 0:47)

And then we'll file it to the court.

[Speaker 1] (0:48 - 0:53)

Okay, no, I'll read it, I'll sign it. Is it okay if it's done by tomorrow morning?

[Speaker 2] (0:54 - 1:06)

Yes, tomorrow morning is fine. Tomorrow morning is fine. And I don't know, there might be some fees, 50,000 or something.

I don't know. So I don't know how will you pay. Do you have a card?

[Speaker 1] (1:07 - 1:18)

I have a card, but Mr. Abu, what you're saying is you tried to get the money from them and now you're saying you have lost to the extent that they will get... No, it's not lost.

[Speaker 2] (1:18 - 1:20)

No, no, it's not lost.

[Speaker 1] (1:20 - 1:20)

Yes.

[Speaker 2] (1:20 - 1:37)

I have to send the cases with that. So how we claim the money? Because they've disclosed the will, it means this claim cannot be continued.

You have the remedy. Like I'm asking to disclose the will and they have disclosed it, right? So you need to discontinue and then you can claim cost.

[Speaker 1] (1:38 - 1:40)

Okay, so you have not yet claimed the cost?

[Speaker 2] (1:41 - 1:44)

No, we asked them to give them cost. They are disputed.

[Speaker 1] (1:44 - 1:44)

Okay.

[Speaker 2] (1:45 - 1:48)

They are disputed, but it will be decided later. That's the standard way to proceed.

[Speaker 1] (1:49 - 1:51)

Okay, now what are you actually discontinuing?

[Speaker 2] (1:52 - 1:55)

Yeah, discontinuing the claim. Then you fight for the cost, okay?

[Speaker 1] (1:56 - 1:59)

Discontinuing which claim? What are you discontinuing?

[Speaker 2] (2:00 - 2:18)

Discontinuing, you know, when the first one, when we asked them to disclose the will and they did not and then we said appoint an independent administrator to build up a party. Okay. Now she has disclosed the will, therefore you cannot appoint an administrator.

Therefore it's a win for you, okay?

[Speaker 1] (2:19 - 2:25)

So, but you're still going to go after them for the cost and the additional cost of not complying?

[Speaker 2] (2:25 - 2:26)

Yes, yes, yes.

[Speaker 1] (2:27 - 2:33)

And then you are later, after that you're going to challenge the will, after that, after you get the cost?

[Speaker 2] (2:33 - 2:33)

Yeah, I gave them the will.

[Speaker 1] (2:36 - 3:34)

Okay, so what I wanted to tell you, I was discussing with Alex too, and this has become stressful, so I've been sick, so I'm trying to work on things. What I wanted to ask you is that I have got some specific points of which I have proof in the year 2024 because my father died in August. I have several proof that she forced me not to contact with the father.

That is one. I have a proof rather than you just say it. The other thing is that we want to test to make sure that there is no document alteration, any kind of document alteration, including the

letter of wishes, and if there is an alteration or anything, we want you to take it up.

So, I've discussed it with Alex. So, you have not lost, you have not been told you won't get the cost. I mean, they are disputing now.

They will, of course, dispute it.

[Speaker 2] (3:34 - 3:39)

You know your sister how she is. She knows and she will fight to a point.

[Speaker 1] (3:41 - 4:12)

So, because she is making allegations, Mr. Abu, and I read a little bit, I told her this, I said this, I said that. And you may have to defend that. But my defence now for the undue influence, it's not just going to be the injunction, of course, it is true, but I need to actually give you more evidence and then it will take me 10 days or a couple of weeks.

But you, okay, I want to understand, are you writing a document saying you're discontinuing something? Is that?

[Speaker 2] (4:12 - 4:17)

I sent you this email. I sent you the form. No, that's the legal standard procedures.

[Speaker 1] (4:17 - 4:18)

Okay, okay.

[Speaker 2] (4:18 - 4:20)

No, no, no.

[Speaker 1] (4:20 - 4:50)

I'm going to comply. I want to comply. I just want to make sure that while you're doing the case, that you will take our actual evidence into account, how you prevented us and all that.

So, that is something that you don't need that at the moment. Okay, I'll read it and sign it. I'll read it and I'll sign it by tomorrow morning.

But if I have questions, I'll phone you tomorrow morning. If you have any questions. Okay.

Okay. Bye. Bye.

Bye. Bye. Bye.

Bye.
