[Speaker 1] (0:10 - 0:12)

Hello. Hello, Mr. Abu.

[Speaker 2] (0:16 - 0:17)

Hello, can you hear me?

[Speaker 1] (0:17 - 0:17)

Yeah.

[Speaker 2] (0:18 - 0:33)

Yeah. Right, okay. You know, I explained to you my study and I gave you the data.

You said you want further one week. I'm in serious difficulties. I'm trying to resolve one nicely quickly and nicely because I won't be able to represent your case in the future.

[Speaker 1] (0:34 - 0:45)

No, yeah, yeah, because in order to, you know, sign something, I need to know what I'm signing and I also have a right because you said that.

[Speaker 2] (0:45 - 0:50)

You read it. That's why I'm telling you, if you don't do it fine, but I will not be represented in your case.

[Speaker 1] (0:50 - 1:41)

No, I need you to, I need you to, whether you represent me or not, I got to talk with Alex about it, but you've been saying every day that I can't send you messages. Okay, I wanted to ask you whether once I sign it, the case is finished and you won't be representing me anyway. So, if you see, so we don't know if you filed a case to read you that you should reply in 15 days and I need that correspondence.

And when they said that they will go after me for the charges all that I need the correspondence. I don't just sign things and that's not fair. No, you have to give it again because I didn't see it.

You have to give it again. I want all the papers. I mean, you filed to read you and whatever they wrote back their charges their refusal to pay all that I want and then I want to know.

[Speaker 2] (1:41 - 1:46)

Okay, I'll send it again. I'll email you again today.

[Speaker 1] (2:11 - 2:28)

I withdraw part, I withdraw whole. So, you need to tell me what I'm going to withdraw. So, then once you tell me what exactly I'm withdrawing, maybe it should be the form should be redone so that it's understandable.

Okay. And also I need to know the set of charges.

[Speaker 2] (2:32 - 2:35)

No, you need to tell me those papers, right?

[Speaker 1] (2:39 - 3:03)

No, if I sign it, you say you will represent me. Right. You don't want to represent me.

How will I fight if I discontinue it? How will I fight if I discontinue it?

[Speaker 2] (3:06 - 3:08)

Discontinue in relation to the first case.

[Speaker 1] (3:09 - 3:17)

I don't know what is the first case. Oh, but discontinue means you're not going to ask for the payment. That's what you're discontinuing.

[Speaker 2] (3:18 - 3:23)

No, no. Discontinue doesn't mean that you should ask for the payment. You still have to ask for the payment.

[Speaker 1] (3:23 - 4:14)

Okay, I need clarification and I'm happy to do whatever you want, but I think you don't want to represent me. But look, we want you to represent us. But if you have to tell me what the other party said today, I'm going to read it.

If you send it again, what they said and what exactly you are discontinuing, create that document again. So I also need some other advice on this form that you asked me to sign. I need further legal advice.

And you said you're not representing me anyway. And you're trying to help me out. So I need other legal advice before I sign it because you said you're not representing me anyway.

No, you said you're not representing me anyway, whether I sign it or not. Yes, yes.

[Speaker 2] (4:17 - 4:23)

Look, if you don't sign it, it's right. Then you have to find another lawyer. You have to pay them.

[Speaker 1] (4:23 - 4:32)

No, it's not anyway.

[Speaker 2] (4:32 - 4:37)

If you sign it, Professor, then this one issue is resolved.

[Speaker 1] (4:40 - 4:58)

I need somebody to explain to me because I don't. You see, you see, we understand English. And look, I'm going to have to get legal advice before I sign anything because you have been very active.

[Speaker 2] (5:03 - 5:05)

Doing the claim in relation to that case.

[Speaker 1] (5:07 - 6:32)

I don't know, Mr. Abu. I don't know, Mr. Abu. I think I think I'm OK.

Whatever the allegations they made and your request to pay the fifteen thousand and whatever allegations they did. OK, that entire lot I need to know. And then what I'm actually withdrawing, please send the case that I'm actually withdrawing, which you made a petition that case and everything they've said charges, everything they said about me.

OK. It needs to be clear because you keep saying that I can't send you a message. You've said it many times.

It's one wrong word and you won't represent me. No, I need to know what I'm withdrawing. I need to know what I'm withdrawing before I sign.

You told me that, but you're not clear because not clear. You need to send me a petition and say, well, why does it say all and part? So why are you withdrawing all?

So where's all? And it doesn't look like a proper form because the sentences are incomplete and it needs to be clear that all the clients and I was saying it's not true. I need some time.

I'm not having things going on here. Thank you.
