[Speaker 1] (0:15 - 0:51)

Hello, sorry, Mr. Abu, this is a quick question. I've told Alex, so he said he's busy, he will talk to me in the evening, but I wanted to ask you that, can we have a copy of what you sent to Vidhu and what she sent back? I know she's quite aggressive and she doesn't stick with the truth, I know that.

[Speaker 2] (0:51 - 0:56)

I'll send you a copy. Okay, I think we've sent you before. I'll send you a copy.

[Speaker 1] (0:56 - 1:08)

Now, having you sent me, so she has sent you a reply saying they will not pay, isn't it? They have sent you that, and you've sent me that. And what about the 15-day deadline?

She didn't obey it, then they sent you a letter after that.

[Speaker 2] (1:09 - 1:11)

No, okay, I will send you everything, whatever we have paid.

[Speaker 1] (1:12 - 1:17)

Now, are they saying that they will go after me for the money, after you for the money, is that what they're saying?

[Speaker 2] (1:19 - 1:28)

That's what they are saying, it's a different claim, it's a complex matter now. We emailed you everything, there is nothing new, but if you want it, I can send you the date.

[Speaker 1] (1:28 - 1:40)

Yes, please. Mr. Abu, I wanted to tell you that this is not your fault, I mean, you know, she pays on a very high scale, I'm sorry, but Vidhu pays a lot.

[Speaker 2] (1:40 - 1:44)

No, I'll tell you that, because she has money and she has solicitors, she's paying all these things.

[Speaker 1] (1:45 - 1:47)

She's doing it on a different level, she's on a different level.

[Speaker 2] (1:48 - 1:52)

She's on a different level and she is doing everything to destroy you.

[Speaker 1] (1:53 - 2:06)

So, I'm not wasting your time, I know she's paying on a much, much higher level and everything, and she's very aggressive. So, what we do is, she's going to beat down everything you say, and if there is time, okay.

[Speaker 2] (2:06 - 2:13)

Yes, that's why, that's the end of that, to discontinue now, otherwise, if you do not discontinue, the cost will go high and she will pay more money.

[Speaker 1] (2:13 - 2:17)

So, you'll discontinue and what's the next step after you discontinue?

[Speaker 2] (2:17 - 2:25)

Yes, then you claim money, then they claim money, then it will be resolved And does that mean you are not going to be in the case?

[Speaker 1] (2:33 - 2:39)

No, but I... No, the cost, for the claiming the cost.

[Speaker 2] (2:39 - 2:46)

Of course, we are claiming the cost, we said, we asked her to pay. Okay, please, just settle this one first, just do one after another, please.

[Speaker 1] (2:47 - 3:03)

Yes, but because she... Mr. Abu, all I want to know is, you don't have much hope, and this is all I need to know. If you don't, let me know, because we want to work on getting whatever we can do.

That's why I need to know if you don't have any hope, that's why you know that, because she's very, very aggressive.

[Speaker 2] (3:03 - 3:12)

But it's not hope, because she gave you the, look, she disclosed the will. Initially, we issued this case because we had the understanding of the will, right?

[Speaker 1] (3:13 - 3:14)

Yes, that is the one that...

[Speaker 2] (3:15 - 3:20)

And then, she disclosed the will, that's what we wanted. Okay, anyway, I gave to you, please.

[Speaker 1] (3:20 - 3:27)

So, that is the one I'm signing, right? The one I'm signing is that the appointed administrator, that is the one we don't need, that's what you're going to sign.

[Speaker 2] (3:27 - 3:29)

That is the case, but this is the case you are going to go in.

[Speaker 1] (3:29 - 3:54)

The other case you haven't Okay, okay, that we have to withdraw, because that case is now void, and you wanted me to sign it. That's what I'm signing now. Yes, yes.

So, that is fine, that is fine, that's fine. I'll sign it, but you haven't lost the case for the money. This is separate, this is the appointing administrator, that's not needed.

Yes, yes. Okay, understood. Okay, bye.

Okay, bye, bye. Bye.
