Dear Viju Wortley

**Re: Mohini Hersom, DOB: 28/08/1958, Room 303, 95-98 Talbot street, Dublin 1, D01 WR94,
Notice of Instruction**

We are instructed by Ms Mohini Hersom to act on her behalf to deal with her deceased father Mr Krishnaswami Venkataramanan's (DOB: 18.01.1934) wealth. We wrote to you on 04/12/2025 regarding this matter. Copies of the letters and proof of postal deliveries are enclosed. To date, we have received no response.

We are informed that you are her sister and you have taken possession of all Mr Venkataramanan's wealth following his death on 01 August 2024. In these circumstances, you are requested to provide full disclosure of all the assets belonging to the deceased at the date of his death. I further request you to confirm whether he left a will and, if so, provide a copy.

Further, we request you to set out your position as to how you propose the deceased estate should be administered and divided between the two siblings. You are requested to provide us all the information within 7 days.

Should you fail to provide disclosure you or otherwise fail to co-operate, our client reserves the right to take further steps to protect her interests and you will be liable to pay the legal costs incurred as a result of your failure to co-operate in this matter. Your anticipated co-operation is highly appreciated.

Kind Regards
