

10. On 23 January 2026, the Defendant refused to accept a formal letter (Ref: OK534161938GB), and a further letter sent on 27/01/2026 (Ref: OK534162054GB) remains unacknowledged. The Defendant did not reply to the any of the letters. This patterns of behaviour confirms that the Defendant is unfit to act as a fiduciary.
11. The Defendant remains in sole possession of the family home at 19 Carston Grove and all of my father's financial records. She has failed to provide any inventory of the estate or confirm whether a will exists.
12. Because of the 2013 restraining order, the Defendant and I do not communicate. We cannot legally or practically act as joint administrators. Given the Defendant's silence and hostility towards me, I do not believe she will protect my interest in the estate.
13. I respectfully request the Court to appoint an independent administrator to ensure the estate is handled with honesty and transparency and divided between us equally.

Statement of truth

14. I believe that the facts stated in this witness statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.
