Dear Sir.

I have understand your instructions to have the entire application form submitted for a UK visitors visa twice. So far I have only sent the UKBA letter of refusal of 2022 and 2023. I will resent them along with the entire application formx2. Please be patient with me as I have a broken right hand and shoulder and operate at below average speed and will get it done ASAP

For your information, the UK visitor visa is done these days online with submission of documents so most people would not have a copy of the application wizard only of the documents they submitted.

But that's all right since the application is done these days at a visa company and all they ask for are financial residence and proof of relationship if I want to visit a person In the UK with whom I have a relationship

We Also had to submit extensive proof my boyfriend Alex is not an illegal immigrant .

Unfortunately the visitor visa application is quite unfriendly and does not allow any opportunity for candidates to explain their situation to t British authorities

The gov.uk website are allowing applicants phone calls charged at 69pence a minute but it is only a courtesy phone and they do not help anyone in anyway

Thanks Mohini
