It was a struggle but I managed. If you need my medical conditions letter from doctor I can sent over the weekend.
If you need proof of disability allowance, I will start on Monday, and cannot hurry social services. You decide.
If you are not happy with the statements, or need those other things, please postpone.
Otherwise I will await your instructions, on what to take to the interview of 22nd.

I know already to take my email invitation you have forwarded me and my GNIB and Travel document.
TLSContact will confiscate my travel document,

My Whatsapp +353 899 640 562 and its phone number are currently open to receive calls.
My phone died and I had to buy a new phone to not lose touch with my legal representative
