Dear Applicant,

Reference: GWF076943005

Your visa application has been sent to the Decision Making Centre for processing.

You can track the progress of your visa application by connecting to your account.

Do not visit the Visa Application Centre unless you have received an email notification from Tlscontact that your passport is ready for collection. Please note that if you applied as part of a family group, decisions are made separately, and each person will be notified individually when their passport is ready for collection.
