Dear customer,

Reference: GWF076943005

This is a further reminder that it is now more than 20 days since your travel document (and supporting documents, if applicable) have been returned from the Decision-Making Centre to TLScontact Dublin for collection. You have yet to collect your travel document from the Visa Application Centre.

You can check collection times and the centre address on the [address and opening hours page](#).

We have previously contacted you to make prompt arrangements to collect your documents at the Visa Application Centre as TLScontact is only able to hold them for a limited time. If you fail to collect your documents, they will be passed to UK Visas and Immigration, who will return them to the issuing authority.

This is a post only email that is not monitored, please do not reply to this address. If you wish to contact us, please check our [Contact Us](#) page.
