Dear Mr Abu,
Despite making the right moves for the judicial review, you were not granted as you did not know why they are so harsh with me. To be honest, i dont either but I have some clues.

It is difficult for me to write statements. I am not that good with legal documents and no way to make it short. I would rather have a conference with you that way You can absorb it and won't have to read it. You are going to get a snail mail copy each page signed and dated.

You may submit my statements to the home office if you want.
If my statements are helpful
OR
if there is no hope, you can let me have some fireworks before I die
THEN
PLEASE SEND MY STATEMENTS TO THE HOME OFFICE

This is statement 1. It shows I am hated and this is not related to the criminal conviction

I will try to complete Statement 2 on Sunday today. it partially covers discrepancies in the criminal and civil cases

I reckon statement 3 will be my entire statement. More about the guilty plea initial arrest, my detailed statement to basingstoke police written after arrest They have it, and so do I, and some more.

Alex is a wonderful man of God
