Dear Mr. Abu

This is the remaining statement.

I have covered most of the story.

Sorry I do not have the ability to make it two pages long.

First I am willing to do more work for you and all you have to do is ask. I'm willing to give you more documents. There is more evidence to be seen. But as far as testimonies go I have covered most of the story.

If you do not have the time to read my testimony, please look at the headings. I want you to see if you can open and overturn this case. You have said it is urgent but I will still give you more documents and evidence I do not have abilities beyond what I'm doing but I can take and follow instructions

You will also receive a paper copy and there will be no difference between the paper and the email copies. I may change the order but the content will be cut and pasted. No change is not even the grammar and spelling

The long file attached and legend – so sorry – I could not split the long pdf file. It is too long to split with free software. Pages 234-249 say (when I was held at Basingstoke police station) what I did and did not do. The legend is about pages including 234-249. Clearer if can speak. So sorry
