Dear Mr Abu

I do not have the ability to shorten it more. I feel I need to put down all that went wrong or when they did not act properly. If I leave out details you may find points unanswered

I apologize for the inconvenience. I have done most of the story. I suppose you won't have the time.

I don't know what you can do. I suppose you can scroll my statement, and look at all the headings.

In the pdf file, BASMAGS PART1 attached the pages 234 - 249 are my written statement to police which clarifies what I did versus what they are accusing of. The legend about these pages is self-explanatory. In short I called Steven Wortley a bastard and did not harass Viju and the children. statement\1 in email #2 has a bit about trying to reverse my plea

I have covered most of the statements needed to complete the story. I will do more work send more documents anything you ask

I will also send a snail mail copy without making ANY changes
