Dear Sir or Madam,

I made a Subject Access Request earlier to the Home Office for my records prior to my departure from the UK on 30 April 2018. I received a very large PDF file which is safe. Sorry to bother you - I would like to make a Subject Access Request for the period on or after 30 April 2018.

I am attaching my Irish travel document (notarized) and GNIB residence permit both valid until August 2028.. Please respond to this email if possible, (other than auto-response) explaining if you need anything else (other than these two attachments) to identify me. Is there an application fee and in what format to submit? I hope you can answer and I will send this enquiry and its 2 attachments, and anything else you may require by a paper copy by registered post.

I write to make a formal Subject Access Request pursuant to Article 15 UK GDPR and the Data Protection Act 2018.

I request disclosure of all personal data held by the Home Office relating to me, including records connected to: •
