Dear Abu

Mohini is unsure about what installments she should pay you. I suggest you send her a client care letter detailing this. I know the total she is to pay is £15,000 (of which I believe £1750 has already been paid, at the time of writing) and you will get the rest from her sister, when you win the case.

Another thing you should know is that, as well as a house, Mohini's dad had a lot of money.

If there are any queries, please do not hesitate to contact myself of Mohini.
