This is not what I understand. I cannot pay you £15000. You said you will try to recover the money from Viju. You are saying you are the legal expert, I have things to tell you about this situation. No matter if you are an expert, you need to know details. I don't know about "exstoppel promissory" This needs to be discussed. I cannot sign to pay these monies as I do not have them. You said not to worry you will recover. I cannot sign things I cannot do. I am also not clear about what you actually will be doing when you said you will write representations on my behalf. I will speak with you on Monday
